Your first stop for important BC info

Queries

If you have any questions about coming to BC, access needs, booking questions, or anything like that, drop them a mail at info@bridgecommand.space (or bookings@bridgecommand.space for booking queries)

General Details

- [Bridge Command Website](#) - Bookings, how to find, background, etc.
- [Service Record](#) - Shows details like which missions you have deployed on
- The [Code of Conduct](#)

Community

The place to go is the official [Bridge Command Discord](#) server

Other Generally Useful Stuff

- Aimed at new-ish returning officers, [Smith's Totally Unofficial Guide to Getting What You Want From Bridge Command](#) has some good tips on how to get the most out of your experience (there is also a related [Discord thread](#))
- If you are looking to attract more officers to a mission slot, put together a crew for a campaign, or anything like that, check out the [crew-finder](#) channel on the Discord
- For a very detailed document which is very much **not** intended for first-timers, there's Face's [UCN Academy Manual](#)

Accessibility

- For all questions around accessibility, get in touch with info@bridgecommand.space.
- If you want details from someone not directly from BC, Lt. Cmdr. L Magnet-Dale has produced an [Accessibility Review](#) (and an [Update](#) to it with further information) - Note that there may have been subsequent changes and improvements, again, if you have any questions, contact the info@ address above

Ship Time Slots

BC is closed on Mondays. For other days, the standard time slots (and ship allocations) are below (slots in *italics* are private booking only, slots in **bold** are generally available for public booking)

Lore and Background

Bridge Command is intended to be experienced primarily as a live theatrical experience. As such, your best bet to get information is to ask the permanent crew at the Warspite Mess, or consult the database accessible from the terminals there. Having said that, various officers have written their own mission reports and other material (suitably spoiler-free)

- [Official Bridge Command history](#)
- [WTG Reports Index](#) - Links to various After Action Reports and the like
- [War Reports](#) - Details of happenings on the Frontline
- [Doug's Bridge Command Glossary](#) (and associated [thread](#))
- [Adamas Belt - Settled Sectors](#) - Official publication, refs per the Frontline map

About the Ships

- [UCS Takanami Layout](#) (thread)
 - [Blueprint](#) (looks really cool)
 - [Engineering Schematic](#)
 - [Diagram](#) from Face's manual
- [UCS Havock Layout](#)

Looking Fabulous

There's a lot of custom work out there when it comes to patches, uniforms and the like

Patches

- Standard size for arm patches is 3" diameter (apparently you can push to 84-88mm without too noticeable difference)
- [Unofficial Patches - Sharing and planning](#) thread
- Lt. Cmdr Ward's Patch Tier Lists - [Part 1](#), [Part 2](#), [Part 3](#)
- Get one of the (unofficial) [Cider Generalist](#) patches from the Torchbearers

Suppliers

- [Dutch Label Shop](#) - Embroidered or woven patches (and more) - Try code WELCOME10 for a discount

Uniforms & Decorations

- [Medals - Commendations - Uniform Guidelines](#) thread
- [The Totally Unofficial Guide to UCN Decorations and Uniforms](#) (Includes links to ribbon suppliers)
- [UCN Rank Insignia](#) thread

Art and Culture

Songs

- [Songbook](#) thread
 - [UCN Songbook - Online](#)
 - [Traditional Songs](#) songbook - Shanties etc
- [Songs-about-space](#) thread

Forms and Documents

- [Document Frames](#) (These docs by Face, from original graphic design by Lt. Cmdr. Overton)
- [Document Templates](#) by Lt. Cmdr. Overton

- The house font is [Exo 2](#)
 - Or there's Ymbirtt's [custom version](#)
- A variety of more or less useful pocket guides and forms are here in [Tactical Aids](#)
 - [Doug's set zipped up](#) (Discord post)

Graphics Etc

- [Ship Icons SVG](#) (Discord link)
- [Blank Ship Crest/Badge](#) (Discord link)
- [Officer Role Icons](#) (from service record) (Discord link)

Fiction

- The official in-universe novel [The Mystery of Missile Bay C](#) (Discord) is also available in hardcopy from the merch store
- There's a growing body of fan work on [A03](#)
